

TA Conference Call Notes July 23, 2007

Announcements

- Interagency Agreement is in effect so the Institute of Social Research at Sacramento State University will work with First 5 California to produce the 2006-07 Annual Report.
- PEDS support matrix, describing the support we can provide for PEDS, is forthcoming and regional representatives will have copies of document.
- Annual Reporting legislative deadline is November 1st but State staff is requesting information be turned in by September 30th.
- Annual Report Forms are now available on First5eval.com site. Download Adobe reader version 8.0 to view the forms.
- First 5 California is going forward with the Center for Results and is putting in place some of the pieces in new contracts.

Question and Answer

Q: Where is the technical assistance for CARES database? County is having trouble contacting them and getting a response.

A: Contact Tina Fitzgerald. directly to speak about this offline.

Annual Report

Q: What year would the local evaluation report due on November 1, 2007 cover?

A: With your annual report, submit a description of the evaluation work planned and completed for the prior year. Submit your local evaluation report when it is ready for any time period for which you have data.

Q: When will the School Readiness (SR) fiscal forms be available and when are they due?

A: The SR fiscal forms will be posted on the First5eval.com site by September and they are due November 1, 2007.
